Online Service for Marriage License Search and Requests Opens this Valentine's Day

LOUISVILLE, Ky. (2/10/2025): The Jefferson County Clerk's Office is streamlining the process for residents to obtain a certified copy of their marriage license. Beginning this Friday, February 14, 2025, users can conduct marriage license research online. This updated system allows the public to request certified copies from 1992 to the present without needing to visit the office.

Jefferson County Clerk Bobbie Holsclaw highlighted the significance of this new feature. She mentioned, "We are committed to making our services more accessible and convenient for the residents of Jefferson County. By embracing technology, we aim to reduce wait times and simplify the process for everyone seeking these important documents."

Residents can visit the Jefferson County Clerk's website to explore this new feature and take advantage of the streamlined services here:
